

LEGACY CIRCLE

It is the compassion and remarkable commitment of people like you that allows us to work toward a hunger-free tomorrow.

WHAT WILL YOUR LEGACY BE?

Everyone will leave a legacy - the rewarding decisions, loving family, and accumulated assets are just some of the entities that each of us will leave behind. Harvest Hope Food Bank is thrilled to offer a way for partners, whose heart lines up with our mission, to be a part of our Legacy Circle. This special group is made up of many thoughtful partners who feel led to include Harvest Hope in their will or trust through a bequest. Whether a gift of cash, real estate, your bequest ensures that there will always be a voice for the hungry and brings us closer to a hunger free tomorrow.

HELP US ENSURE A BRIGHT FUTURE

Becoming a member of the Legacy Circle is as simple as including Harvest Hope in your will or naming us as a beneficiary on retirement accounts, life insurance policies and things of this nature. Your legacy will forever be tied to our ever-important mission and will give you peace of mind knowing that because of you South Carolinians will always have enough to eat.

WE ARE HERE TO HELP

If you already have a will and want to make the change to include Harvest Hope as a beneficiary, we would be happy to supply you with sample language for your attorney. If you are among the over 60% of Americans who do not have a current will, we can help you get started. This process can feel overwhelming, but with a little planning, it can be quite simple.
